MARINE AND INDUSTRIAL SUPPLIERS

MARINE ENGINEER VACANCY

We are recruiting a full time Marine Engineer to carry out service and repair work on leisure boats and engines.

The role involves working on site at our boatyard in Cookham and off site at local marinas and requires a solid knowledge of diesel and petrol engines. A background in plant or truck engines or mechanical engineering would be a significant advantage combined with electrical knowledge and familiarity with diagnostic equipment.

The suitable candidate should be able to work on their own initiative and display attention to detail.

A valid driving licence is essential.

Please submit your C.V. with a covering email to nadaj@dbmarine.co.uk.
